

# Host a Rotary Exchange Student

The hardest part is saying good-

## Become a Host Parent

Rotary Youth Exchange (RYE) of Orlando is looking for host families for our INBOUND foreign exchange students from August until June. RYE will provide you with a host family manual as well as a personal counselor to assist you throughout your hosting months. Your student will be provided a counselor and a monthly stipend. A host family can be a single parent, a family with no children, with small children or with high school teenagers.

## What You Will Gain

Lasting friendships with families and young people from around the world

Make a difference in a young person's life

A tax deduction for the months you host

## What Does a Host Family Do ?

Welcome a high school student into your home and life. Hosting is about sharing your version of the American lifestyle

Give your host student a caring, supportive and loving family life

Be interested in learning about your host student's life and culture

Host for 90 days

Supply room and board

Help your host student register for classes at school

Share holidays and birthdays with your host student
